Do You Need to File Form 990?

Most organizations exempt from Federal income tax under section 501(a) of the Internal Revenue Code are required to file an annual information return on Form 990, Return of Organization Exempt from Income Tax, if their annual gross receipts are normally more than \$25,000. Organizations required to file may use the simpler Form 990-EZ, Short Form Return of Organization Exempt From Income Tax, for any year their gross receipts were less than \$100,000 and their end of year assets were less than \$250,000.

You previously informed us that you were not required to file Form 990 because your annual gross receipts were normally below the above minimum that applied at the time of your notice. For that reason, the Internal Revenue Service does not mail you a Form 990 returns package each year. However, you would still be required to file Form 990 for any year when your gross receipts were considered to be normally more than \$25,000. Our records indicate you have not filed Form 990 for any of the past 3 years.

An organization that is required to file Form 990 but does not do so on or before the due date (including any extensions granted) may be subject to a penalty of \$10 for each day the return is late, up to a maximum of \$5,000 or 5 percent of its gross receipts for the year, whichever is less. The penalty is not charged if the organization can show that not filing on time was due to reasonable cause.

To help us update our records, please check the appropriate box at the end of this letter and provide the returns or other information called for by your response. Section 1.6033-2(h)(2) of the Income Tax Regulations states, in part, "Every organization which is exempt from tax, whether or not it is required to file an annual information return, shall submit such additional information as may be required by the Internal Revenue Service for the purpose of inquiring into its exempt status." Not complying with our request for information could result in the loss of your tax-exempt status.

Please return this letter to us within 30 days. An envelope is enclosed for your convenience. The copy of this letter is for your records. If you were required to file a Form 990 or 990-EZ for any year in question but did not do so previously, please submit the completed return or returns with this letter and explain why you did not file on time. Blank Forms 990, 990-EZ, instructions, and help in completing the forms are available at most Internal Revenue Service offices.

Thank you for your cooperation.

Sincerely yours,

Director, Service Center

TAX FORMS YOU MUST FILE:

Notice of New Employer Identification Number Assigned

Thank you for your Form SS-4, Application for Employer Identification Number (EIN). The number assigned to you is shown above. This number will be used to identify your business account and related tax returns and documents, even if you do not have employees.

1. Keep a copy of this number in your permanent records.
2. Use this number and your name exactly as shown above, on all Federal tax forms.
3. Use this number on all tax payments and tax related correspondence or documents.

Any variation used when filing tax returns, making FTD payments or subsequent payments may result in improper or delayed posting of payments to your account and/or the assignment of more than one EIN.

The filing requirement(s) and tax period shown above have been established for your account based on information contained on your Form SS-4. If you are a trust, your tax year generally must be a calendar year, unless you are exempt from taxation under section 501(a) of the Internal Revenue Code or a charitable trust described in section 4947(a)(1) of the Code. To help you to determine your required tax year, you may obtain Publication 538, Accounting Periods and Methods. This publication is available at most IRS offices for more information.

Please note that the assignment of this number does not grant tax-exempt status to nonprofit organizations. Any organization (other than a private foundation) having annual gross receipts normally of \$5,000 or less is exempt by statute if it meets the requirements of Section 501(c)(3) of the Internal Revenue Code. These organizations are not required to file Form 1023 (Application for Recognition of Exemption) or file Form 990 (Return of Organization Exempt from Income Tax). However, if the organization wants to establish its exemption with the Internal Revenue Service and receive a ruling or determination letter recognizing its exempt status, it should file Form 1023 with the key district director. For details on how to apply for this exemption, see IRS publication 557, Tax-Exempt Status for your Organization, available at most IRS offices.

Thank you for your cooperation.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(2).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.
